

Welsh Schools' (11th) Combined Events Championships

Held at the National Indoor Athletics Centre, Cardiff on Saturday, September 25th – Replacement for June 25th. All events indoor, except senior javelin

No problems with the weather this time – unlike Leckwith in June - and a strange impact on entries. Inevitably with the start of the soccer, rugby, hockey and netball seasons, numbers were down in the Welsh Schools' competitions from 88 to 70 but, in the AAW u13 boys, there were ten competitors compared to just David Guest at Leckwith!

The standard was encouraging, too, with Kathryn Davies (Glamorgan Valleys) leading the way, adding to her 2003 junior crown with a middle girls' victory total over 3000 points.

Gareth Bull, better known for his throws successes, rounded off his Welsh Schools career with a fine senior boys' victory, in the process exacting revenge over team-mate Dan Gaunt for the Cardiff & Vale schools result in May.

Ryan Turner, junior champion at Newport in 2002, led by a single point after three events in the middle boys' contest but pulled clear in the high jump and 800 for a 200 points victory in a Cardiff & Vale clean sweep of the individual medals while Jamie Jones added to his two individual wins, in the hurdles and long jump, at the Nationals in July with success in the junior boys. Daniel Davis, second in the Schools', was the AAW winner.

Dyfed athletes won the senior and junior girls events. Vicky Lloyd, another athlete possibly taking part in her final Welsh Schools' championships, claimed the senior title while the junior age group was one of the closest contests with Catrin Vaughan holding off the final event challenge of Caryl Granville and Hannah Pick as Dyfed claimed a clean sweep of the top positions – with the same three athletes taking the AAW medals.

David Guest (Bridgend), the 2003 champion, retained his AAW u13 championships while Jade Pearce led a Carmarthen clean sweep in the equivalent girls' event.

In the team competitions, Cardiff & the Vale, with home advantage, took all three boys' titles while Glamorgan Valleys, winners of the junior girls' section at Carmarthen last year, claimed the middle title, with the same squad, while Dyfed retained the senior and middle girls.

Thanks to:

1. District Secretaries for organising teams and providing early information on athletes competing
2. The athletes, who turned up and competed
3. The parents and team managers, who brought the athletes – in some cases, travelling from the north east and the far west of Wales
4. The officials, technical & non-technical, for all their efforts in trying to stage these championships
5. The first aid services – St John and the British Red Cross
6. Mr Steve Brace and AAW – for making the local arrangements

Special thanks to Welsh Schools' Secretary, Graham Coldwell and National Track & Field secretary, Mrs Kath Elias. This fixture was, possibly, their last event in office as they have both indicated that they will step down at the AGM in December. They have made a huge contribution to Welsh Schools and will be sorely missed.
